

Forthcoming events

01 Feb 2022: American Association of Geographers Annual Meeting 2022

02 Feb 2022, World Wetlands Day 2022: A call to take action for wetlands is the focus of this year's campaign.

15 Feb 2022, Fifth Intergovernmental Review Meeting on the Implementation of the Global Programme of Action (GPA), UNEP: 14:00-17:00 (GMT +3), VENUE: ONLINE.

The Fifth Intergovernmental Review Meeting on the Implementation of the Global Programme of Action for the Protection of the Marine Environment from Land-based Activities (GPA) will take place virtually in the lead up to the resumed fifth session of the United Nations Environment Assembly. UNEP hosts the GPA Coordination Office.

22 March 2022, World Water Day 2022: "Groundwater: making the invisible visible" – proposed by IGRAC – will be the theme for the World Water Day 2022.

22 April 2022, Earth Day

02 Jun 2022: Stockholm+50:

"Stockholm+50: a healthy planet for the prosperity of all – our responsibility, our opportunity", Stockholm+50 is an international meeting convened by the United Nations General Assembly to be held in Stockholm, Sweden from 2-3 June 2022. It will commemorate the 50 years since the 1972 United Nations Conference on the Human Environment, which made the environment a pressing global issue for the first time. Official website: <https://www.stockholm50.global/>

05 Jun 2022: World Environment Day

2022: It is the biggest international day for the environment. Led by the United Nations Environment Programme (UNEP), and held annually since 1974, it has grown to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world. World Environment Day 2022 is hosted by Sweden. "Only One Earth" is the campaign slogan, with the focus on "Living Sustainably in Harmony with Nature". <https://www.worldenvironmentday.global/>

JOIN WITH THE SOCIETY OF EARTH SCIENTISTS (SES) TO CELEBRATE 1st INTERNATIONAL GEODIVERSITY DAY ON 6th OCTOBER 2022

UNESCO recently declared 6th October as International Geodiversity Day. The elements that comprise geodiversity provide immense benefits for the people and the society. From the soils to the natural resources; the outdoor landscapes people visit for recreation; Earth's rock record of evolution - geodiversity underpins it all. SES has decided to celebrate 1st IGD on 6th October 2022 in a big way which includes an opening ceremony at Delhi followed by Regional Field Workshops in Lesser Himalaya, Geological monuments of Udaipur, Rajasthan; Kutch of Gujarat, Bagh of MP, and Cretaceous of Tamil Nadu. In-house celebrations will be organized by various University departments and organizations across the country.

Email us to participate or send your proposal to india.ses@gmail.com.
