

## 'Only One Earth: Living Sustainably in Harmony with Nature'

Dr. Venkatesh Dutta gave a key-note presentation on the occasion of the World Environment Day; June 5<sup>th</sup>, 2022 at the State Headquarter of the Indian Oil Corporation Ltd. 'Only One Earth' is the campaign slogan, with the focus on 'Living Sustainably in Harmony with Nature'. The event was attended by the senior officers of IOCL both virtually and in physical mode. Speaking on the occasion, Dr Dutta briefed about climate change and energy security issues and highlighted the need of innovations in the field of low-carbon energy sources. He also stressed on sustainable lifestyles and minimalist way of living to make climate transition safe for everyone. People and governments across the world have deep responsibility to take joint actions against all activities that have negative consequences on our health and our environment. The Environment Day is the biggest international day for the environment. Led by the United Nations Environment Programme (UNEP), and held annually since 1973, it has grown to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world. World Environment Day 2022 was hosted by Sweden.

### Students made a Human Chain to create awareness regarding Depleting Groundwater

About 800 students from various schools assembled at Hazratganj, Lucknow on a busy Monday morning and made a chain from GPO to cathedral in Hazratganj, Lucknow during the Groundwater Week to create awareness about importance of groundwater. The event was marked by the presence of Cabinet Minister Jal Shakti Sri Swatantra Dev Singh and a large number of representatives from various civil society organisations.
